What's Revised?

Policy

- [OOE-I-A-1-29](#), **Unusual Incident Reporting and Response**, previously titled, "Reporting Unusual Incidents (Regional Schools)," has been updated to include procedures to contact the DCF Office of Advocacy for all student-related incidences in order to generate a UIRMS in NJSPIRIT. All other non-student related incidents will be recorded using the OOE Critical Incident Form - Attachment 1.

Forms

- [CP&P Form 26-80](#), **Court Report**: with the implementation of Solution Based Casework (SBC), CP&P Form 26-80 has been revised to incorporate the model into how information is presented to the courts and legal stakeholders. In addition, the court report has new sections highlighting DCF's efforts to search/identify kin and special considerations, such as Immigration or Indian Child Welfare Act (ICWA) information. While this form has not yet been uploaded into NJSPIRIT, it will be integrated in the coming months. Therefore, during January and February, which will be a transition phase, we ask that CP&P staff review it and begin using it for their existing cases. **NOTE:** this updated version of the court report shall be used on **all cases** beginning March 1, 2022. **NOTE:** the Form Instructions are currently being revised; any questions should be directed to a supervisor in the interim.
